| • Deadline of full paper submission            | Oct. 1 (Wed.), 2014  |

### Plenary speakers

Robert (Bob) Hughes (President, American Fisheries Society, USA)

**Title:** The role of bioassessment in water resources management (Tentative)

Jane M. Hughes (Professor, Griffith University, Australia)

**Title:** Molecular approaches to understanding ecological and evolutionary processes in aquatic insects and crustaceans (Tentative)

### Abstract submission and presentation

We invite submission of abstracts covering all aspects of benthology and freshwater ecosystem, including population/community dynamics, biodiversity, bioassessment, behavior, genetics, modeling, etc. The abstracts will be given in either oral (limited) or

poster presentation.

Some selected manuscripts will be published in International Journal of Limnology and Entomological Research Bulletin (The Entomological Society of Korea) after peer review.

### Registration fee

The registration fee covers abstracts book, coffee break, lunch, and banquet. Please note that registration fee does not include accommodation costs.

	Early Until May 10	Regular (on-site) After May 10
Regular (Korean)	200 USD (200,000 Won)	250 USD (250,000 Won)
Student (Korean)	80 USD (80,000 Won)	100 USD (100,000 Won)

### Website of BSA2014

BSA 2014 website will open early in January. All relevant information will be found at the website including paper submission accommodation, transportation, and excursion.

We will see you in Busan,

Tae-Soo Chon and local organizing committee members
